

THE JUSTINE LAMBERT GRADUATE
Paper Competition
IN THE
FOUNDATIONS OF SCIENCE

The Department of Logic and Philosophy of Science announces the 2014-15 Justine Lambert Graduate Paper Competition in the Foundations of Science.

A \$2000 fellowship / stipend is awarded every other year to the best submitted graduate paper dealing with the foundations of the formal, natural or social sciences.

The competition is open to all enrolled graduate students at the University of California, Irvine, regardless of department or school affiliation.

Submissions of no more than 8,000 words in length must be received in the Department of Logic & Philosophy of Science no later than February 4, 2015.

To enter your paper in the competition, please send a PDF copy to the Justine Lambert Prize Committee Chair: Professor Brian Skyrms at: lps@uci.edu

A prize winner will be announced no later than March 20, 2015.

All competition inquiries will be forwarded to the Committee Chair.
